Nearly Seventy-Five Participate in City Litter Cleanup in Hillside Community

LaGrange, Ga. October 10, 2020 – The City of LaGrange hosted its monthly litter cleanup in the Hillside community. DASH & the Kiwanis Club of LaGrange were partners for this month’s event. Evangel Church members as well as many community members also participated in today’s cleanup.

Nearly 75 people participated in Saturday’s cleanup

The city's monthly cleanups are family-friendly, free and open to the public. The city provides safety vests, trash bags, gloves and water. The city also encourages physical distancing and the wearing of masks.

City Manager Meg Kelsey began this litter cleanup campaign in April 2018 hoping to send a message to the community that the City of LaGrange is serious about cleaning up our community. This initial event was so successful the city decided to begin hosting monthly litter pickups.

LaGrange Mayor Pro Tem Nathan Gaskin participates in Saturday's litter cleanup
