This year the city is asking the community to report dump sites for employees to clean up on Friday, April 22<sup>nd</sup>. The city will also be utilizing its new litter picker machine that picks up litter ten times faster than city staff alone.

City Manager Meg Kelsey began this litter clean-up campaign in April 2018 hoping to send a message to the community that the City of LaGrange is seriously about cleaning up the community leading by example. The April 2018 event was so well-received with employees, citizens and elected leaders, the city began hosting monthly cleanups throughout the city. Since 2018, the city is proud to have partnered with many different community groups, businesses, schools, colleges and individuals in leaving LaGrange better than we found it. The slogan was inspired by the comments by City Councilman Nathan Gaskin who said in a city council meeting, “My mom also told me to leave things better than I found it.”

“It’s been extremely rewarding to see our employees and our community come together for this annual event,” said LaGrange City Manager Meg Kelsey. “Since 2018, we’ve taken pride in leaving LaGrange better than we found it and leading by example. We invite everyone to join us.”

After the cleanup on Friday, city employees and volunteers are invited back to Sweetland Amphitheatre to have lunch before going back to work to open city offices back up at 1:00 p.m.

The city’s next scheduled litter cleanups include:

- Saturday, May 7<sup>th</sup>, 8-10AM in the parking lot of the Health Department, 900 Dallis Street. The city is partnering with DASH and the LaGrange Fire Department.

- Saturday, June 4<sup>th</sup>, 8-10AM in the parking lot of Hometown Family Medicine, 1698 Vernon Road. The city is partnering with Hometown Family Medicine and the LaGrange Fire Department.

**If you would like to participate in Friday's city-wide cleanup just show up in front of City Hall, 200 Ridley Avenue at 8:00AM.**
