City of LaGrange Partners with Finding Rover to Help Reunite Lost Pets with Owners

LaGrange, Ga. October 4, 2019 – The City of LaGrange is partnering with Finding Rover to help identify lost dogs and cats. Finding Rover uses facial recognition technology to help reunite those lost pets with owners.

Every dog and cat that enters the City of LaGrange Animal Shelter will now be registered on Finding Rover. Users of Finding Rover can search the shelter and surrounding areas right from their smartphone or computer in efforts to find their missing pet, a neighbor's missing pet, the family of a found pet, or search for adoptable pets.

Every dog and cat that leaves the City of LaGrange Animal Shelter, through a reunion or an adoption, can remain protected on Finding Rover when the pet parent registers on Finding Rover with the same email address that the shelter has on file. If that dog or cat ever gets lost, their record will already be in the system, and identifying that pet will be easier.

Registration of your pet is free of charge. Just go to www.FindingRover.com and:

- Upload your pet's photo
- Enter a few details about your pet
- Enter your name, email address, and zip code

Once your pets are registered, they're protected for life.

- 1 Register your pet for FREE
- 2 If your pet goes missing, report them as LOST and use facial recognition to get them home!

FindingRover.com

In addition to helping lost pets find their way back home, Finding Rover also features dogs and cats that are available for adoption.

The LaGrange Animal Services Building is located at 1390 Orchard Hill Road. The shelter is open 10:00 a.m.-5:00 p.m. Monday through Friday, 10:00 a.m.-2:00 p.m. Saturday and closed on Sunday.
