City of LaGrange Releases Recycling Educational Video Featuring Local Students

LaGrange, Ga. March 19, 2018 – The City of LaGrange is hoping to educate the community about its recycling program by releasing a video featuring local students.

Recycling Educational Video Features Local Students

The featured children represent the following schools: Berta Weathersbee Elementary, Hollis Hand Elementary, Rosemont Elementary, Long Cane Middle, and LaGrange Academy.

The students from Hollis Hand Elementary are also members of the school's Recycling Club.

The City of LaGrange is hoping to better educate the public about what you can recycle. Thirty percent of the city's curbside recycling is contaminated and thrown away.

If you'd like to view the video, you can click on the following link:
