twelve groups sponsored the free event.

National Night Out, a nationwide event designed to heighten crime and drug prevention and awareness, generates support for and participation in local anti-crime efforts.

It strengthens neighborhood spirit and police community partnerships as well as sends a message to criminals that neighborhoods are fighting back against crime.

“It takes a lot to put on this event and it takes the entire community,” said LPD Senior Officer Jim Davison.

“Together with all the agencies and our community support we were able to successfully pull this fun and family-friendly event off.”
