The Good News for this evening is Sweetland Amphitheatre is excited to partner with the Troup County School System for this Friday’s Black Violin concert. On Friday, a group of our local Troup County school musicians will play before the concert begins on the Great Lawn – and then a smaller group of students will actually perform on stage with Black Violin. We had some generous local supporters pay for the young musicians in the Troup County School System to attend the concert for free. Thank you to Brent and Lizzie from Sweetland for helping to set this up for our community. We are excited about celebrating our young musicians in this event and appreciate the Troup County School System for partnering with us.

We are also excited to have the LaGrange Youth Council host the GMA Youth Symposium this weekend at Great Wolf Lodge. Approximately 115 youth council members from across the state will be a part of this big event. They will learn leadership skills and discuss issues that are important for them. It is going to be a great weekend.

There being no other business, Mayor Edmondson adjourned the meeting.
