## **Utility Pole Surveys to Begin Monday, September 10th**

***LaGrange, Ga. September 6, 2018*** – LaGrange citizens can expect to see workers conducting surveys throughout the community starting Monday, September 10th.

The City of LaGrange hired Pike Engineering as a contractor to conduct a utility pole joint use survey.

The workers will be physically inspecting all City of LaGrange owned poles along the roadway, right-of-ways, and on private property. Vehicles will be clearly marked “Pike Engineering” on the doors.

The surveys will begin Monday, September 10<sup>th</sup> and continue for three weeks.
